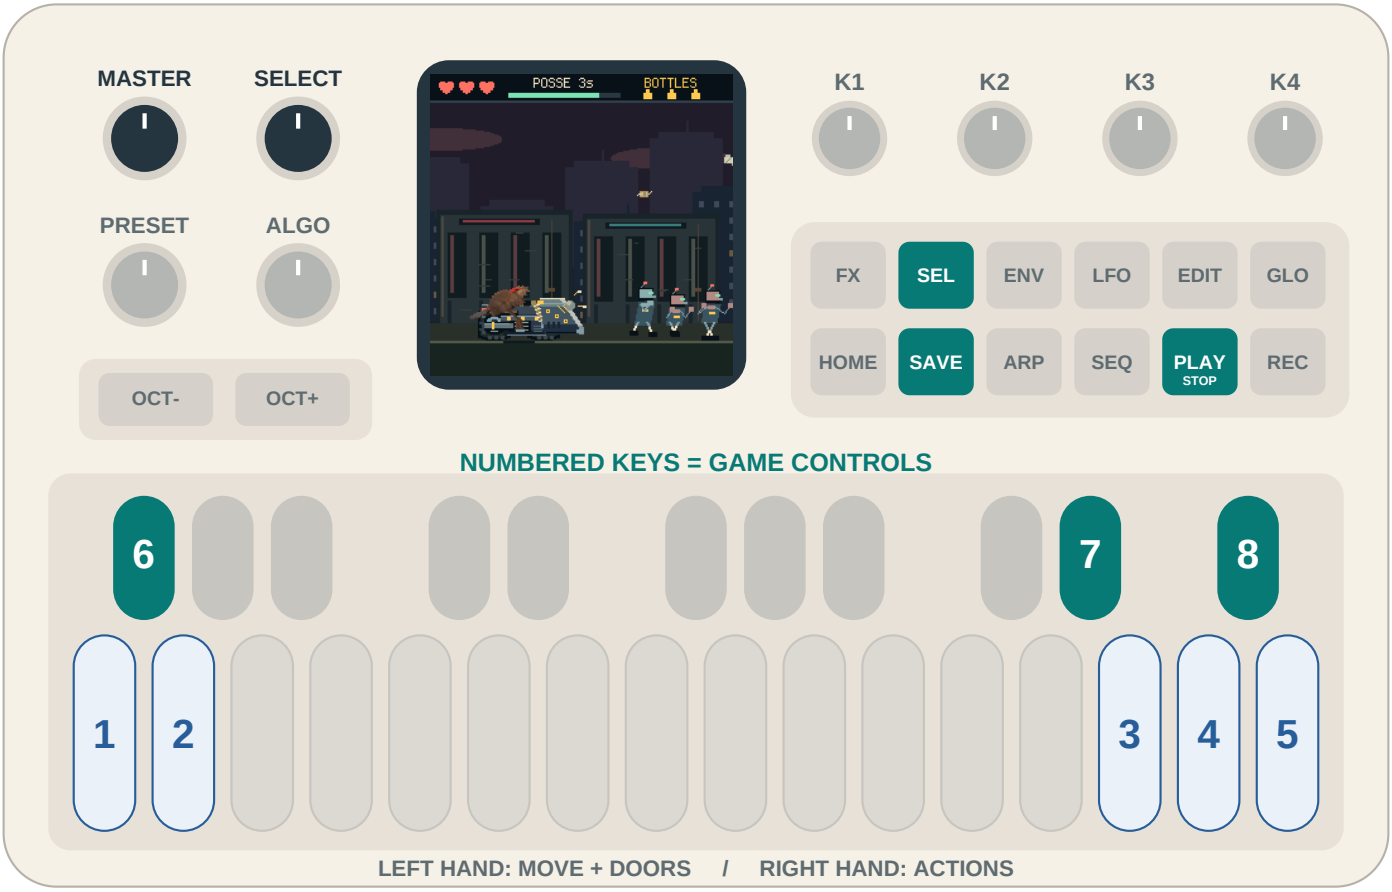
RAMBEAVER

QUICK START / M-VAVE FM-1 / BUILD 745

PLAY / STOP opens the menu. Choose New Run with SELECT, then press SEL.



LOWER / WHITE KEYS

1 LEFT
Hold to move.

2 RIGHT
Hold to move.

3 DUCK / DROP
Hold on ground.

4 JUMP
Press to jump.

5 FIRE
Hold to shoot.

UPPER / BLACK KEYS

6 DOOR
Enter / exit when the key lights.

7 POSSE
Clear visible robots; excludes Mother.

8 MOLOTOV
Throw a bottle. Carry up to three.

PAUSE, SOUND & SAVING

PLAY / STOP + SELECT / SEL
Pause, turn SELECT to choose, then press SEL. Play resumes.

SAVE - THEN PAUSE BEFORE POWER-OFF
Live saves queue until Pause or death. Wait for PROGRESS SAVED before switching off.

MASTER / MUSIC
MASTER sets overall volume. Music Off in the menu keeps voices and effects.

STAY ALIVE & KEEP MOVING

DUCK, HEAL & RECHARGE
Hold 3 to duck: no moving or shooting. Tap 3 on a thin platform to drop. Logs heal; posse refills in 12 seconds.

BIKE / JETPACK
Both move forward for you. Bike: smash robots; ramps launch you. Jetpack: hold Jump to rise; release to descend.

BEAVER DOWN?
Jump or Fire retries. Continue loads your save; New Run starts over.

GOLDEN BEAVER: Clear a fresh run with no damage or retries and every enemy defeated, including side rooms. Check Pause for flawless status. Jump / Fire advances the ending; press again to start a gold run. Save the unlock before power-off.

Grey controls are unused. Capture: Follow FM-1 in Chrome; Record > Stop & Export saves video + USB audio to Desktop.
